I would like to bring to your attention the mounting anxiety and eagerness among students and parents regarding admissions to Class 11 at our school. With the recent announcement of the Board examination results of our students, there is a great enthusiasm to continue their education in our school. But, due to the lack of CBSE affiliation, we are currently unable to offer admission to 117 Students of class 11. In this situation our 117 students are going to face great trauma. Witnessing their hopes and dreams being put on hold due to the lack of CBSE affiliation is disheartening for all of us.

By granting us CBSE affiliation at the earliest, you will not only fulfill the aspirations of our current students to pursue their studies in Class 11 but also allow new students to benefit from the exceptional education provided by our institution. The timely affiliation will relieve

the students and their parents from the prevailing uncertainty and enable them to plan their academic future accordingly.

We want to assure you that we have been diligently working towards meeting the requirements and standards set by the CBSE. Our infrastructure, curriculum, and teaching methodologies have been aligned with the CBSE guidelines, ensuring that we can provide our students with a seamless transition and continuity in their education.

We sincerely request you to give due consideration to our urgent request and grant us affiliation.

We earnestly await your positive response and guidance regarding the next steps in the affiliation process.

Yours sincerely,

Fr. Mukesh Singh Rawat
